Proposal to Change Degree Requirements For the Major

**NOTE:** All gray text boxes must be completed (even if you just put N/A into them), otherwise the committee must consider the form incomplete.

1. Department: **Women's and Gender Studies**

2. Degree: **B.A.**

3. Semester and year in which degree change(s) will go into effect: **Fall 2010**

4. Change(s) Desired (Note: if the change includes deleting courses from the inventory, a Delete Course form must also be completed for each course, the Curriculum Committee does not assume the responsibility to delete the course):
   - Adding WGST 356: Conservative Voices in Women's and Gender Studies and WGST 350: Gender and Violence as electives to count toward the Women's and Gender Studies major.

5. Justification for Change(s):
   - These are courses that fulfill the criteria for the WGS curriculum: each course has as its central focus issues of gender, issues of special concern to women, and the diversity of women's lives. Both courses have been approved for the major by the WGS curriculum committee.

6. Does the change include deleting or adding courses from other departments? If yes, what department/program? Please contact the department chair/program director and request a note or email that they are aware of the proposed change and include that note with the proposal.
   - **No changes to any other departments.**
