Proposal to Change Degree Requirements For the Major

English/Secondary Ed double majors do not have to take the seminar, since we consider their practice teaching to be their capstone. They may take the seminar if they wish or if they need it to fulfill another requirement.

5. Justification for Change(s):
The curriculum has been refined to reflect the new English major, bearing in mind the particular expectations of the PRAXIS test.

6. Does the change include deleting or adding courses from other departments? If yes, what department/program? Please contact the department chair/program director and request a note or email that they are aware of the proposed change and include that note with the proposal.
