1. Department: English

2. Degree: B. A. English

3. Semester and year in which degree change(s) will go into effect: August 2011

4. Change(s) Desired (Note: if the change includes deleting courses from the inventory, a Delete Course form must also be completed for each course, the Curriculum Committee does not assume the responsibility to delete the course):

Change wording and format for listing of requirements for English Major

5. Justification for Change(s):
   1. Correct inadvertent omissions or errors that we overlooked in proofreading the 2010-2011 catalog:
      Change ENGL 3xx, which is listed under courses satisfying the Literature in History, 1700-1900 requirement, to ENGL 344.

      Add ENGL 340 to the list of courses that satisfy Category 3, Theme-, Genre-, or Author-Centered Approaches. This course was inadvertently left off the list.

      Change the sentence "In addition, students will take 6 hours of electives at the 300-level or above" to "In addition to six courses in specified areas, students will take six hours of elective coursework." Page 57 of the catalog incorrectly states that all students' elective courses must be at the 300 level. Under the new major, it's possible a student may satisfy one of their electives with one 200-level course.

      Correct "One course from among: Cultural Studies" to "One course from among: Film and Cultural Studies." The latter is the correct title of the requirement.

   2. Other changes clarify ambiguous presentation of requirements and the courses that may satisfy them.

6. Does the change include deleting or adding courses from other departments? If yes, what department/program? Please contact the department chair/program director and request a note or email that they are aware of the proposed change and include that note with the proposal. No

This form was approved by FCC on 8/17/2010 and replaces all others.
