1. Department(s) or School(s): School of Languages, Cultures and World Affairs

2. Name of the minor/concentration/track: Comparative Literature

3. Semester and year in which degree change(s) will go into effect: Summer 2011

4. Change(s) Desired (Note: if the change includes deleting courses from the inventory, a Delete Course form must also be completed for each course, the Curriculum Committee does not assume the responsibility to delete the course):
   Add a special topics course CPLT 390 to the Interdisciplinary Minor in Comparative Literature

5. Justification for Change(s):
   The introductory course CPLT 200 is the only course in the Interdisciplinary Minor of Comparative Literature with the CPLT designation and generally is taken at the beginning of the minor. This special topics course CPLT 390 will provide students who are further advanced in the minor the opportunity to solidify and expand their skills by building upon the foundation of CPLT 200 and to apply comparative methods studied in CPLT 200 to a variety of literary themes across national boundaries.

6. Does the change include deleting or adding courses from other departments? If yes, what department/program? Please contact the department chair/program director and request a note or email that they are aware of the proposed change and include that note with the proposal.
