1. Department(s) or School(s): Department of Health and Human Performance

2. Name of the minor/concentration/track: Coaching Minor

3. Semester and year in which degree change(s) will go into effect: Fall 2011

4. Change(s) Desired (Note: if the change includes deleting courses from the inventory, a Delete Course form must also be completed for each course, the Curriculum Committee does not assume the responsibility to delete the course):
   The required number of hours to compete the Coaching Minor needs to be changed from 18 hours to 19 hours. The "Required Courses" credit total has gone from 12 hours to 13 as a result of a course change.

5. Justification for Change(s):
   A mandatory 3-hour class, ATEP 245, has added a lab so the credit total is now 4 hours instead of the original 3.

6. Does the change include deleting or adding courses from other departments? If yes, what department/program? Please contact the department chair/program director and request a note or email that they are aware of the proposed change and include that note with the proposal. No
