1. Department: Theatre

2. Course Number and Title: THTR 331: History of Dance

3. When will Course Deletion become effective? Fall 2011

4. Justification for Deleting the Course: This course will no longer be required as part of the dance minor (see proposal to revise dance minor requirements). Furthermore, the content of this course will be split into two new courses that are being offered as part of the proposed dance major. DANC 330 and DANC 331 (proposed) will allow for a greater in-depth exploration of dance history and can now include (via DANC 330) a more expanded focus on non-western dance forms. Since dance majors and minors will be required to take the new history courses, the current THTR 331 becomes obsolete.

5. Is the course part of any other degree or program? Please consult the most up to date undergraduate catalog and search for uses of the course to see who should be contacted. If yes, what department/program? Please contact the department chair/program director and request a note or email that they are aware of the proposed change and include that note with the proposal.

2. Course Number and Title: THTR 332: Dance Choreography

3. When will Course Deletion become effective? Fall 2011

4. Justification for Deleting the Course: This course is being modified and will now be offered under DANC 332 as part of the proposed dance major. The deletion of THTR 332 as a requirement under the proposed restructuring of the dance minor makes offering THTR 332 obsolete.

2. Course Number and Title: THTR 338: Dance Ensemble

3. When will Course Deletion become effective? Fall 2011

4. Justification for Deleting the Course: As part of the proposed major, there are increased performance opportunities now available on campus. The addition of the annual mainstage dance concert coupled with the eventual dance capstone projects will significantly add to the dance majors performance opportunities on campus. THTR 338 will also no longer be a required part of the newly restructured dance minor, thus making the offering of this course obsolete.

5. Is the course part of any other degree or program? Please consult the most up to date undergraduate catalog and search for uses of the course to see who should be contacted. If yes, what department/program? Please contact the department chair/program director and request a note or email that they are aware of the proposed change and include that note with the proposal.

2. Course Number and Title: THTR 339: Advanced Ballet

3. When will Course Deletion become effective? Fall 2011

4. Justification for Deleting the Course: As the proposed dance major is implemented, this course is no longer needed to provide advanced study of ballet technique. Students that wish to pursue advanced study may take the proposed DANC 285, 385, or 485 as appropriate. This course is an elective and is not required for any major or minor.

5. Is the course part of any other degree or program? Please consult the most up to date undergraduate catalog and search for uses of the course to see who should be contacted. If yes, what department/program? Please contact the department chair/program director and request a note or email that they are aware of the proposed change and include that note with the proposal.
