   For over two decades, the College of Charleston has supported separate minors in communication studies and media studies. These separate minors predate the establishment of the Department of Communication.

   As part of a comprehensive curricular reorganization, the department proposes the elimination the media studies minor. The communication studies minor would be renamed the communication minor and would reflect the integrated nature of the communication major, curriculum, and pedagogy at the College of Charleston. The department intends to support one major in communication and one minor in communication.

8. Were courses from other departments or programs part of this program? If yes, what department/program? Please contact the department chair/program director and request a note or email that they are aware of the proposed change and include that note with the proposal.
   MKTG 330 could be used to fulfill minor requirements in the media studies minor. The School of Business has been advised regarding our proposal. Email notification sent July 26th, 2010.
