Proposal to Change Degree Requirements For the Major

NOTE: All gray text boxes must be completed (even if you just put N/A into them), otherwise the committee must consider the form incomplete.

1. Department: Economics and Finance

2. Degree: BS in Economics

3. Semester and year in which degree change(s) will go into effect: Fall 2011

4. Change(s) Desired (Note: if the change includes deleting courses from the inventory, a Delete Course form must also be completed for each course, the Curriculum Committee does not assume the responsibility to delete the course):
Change in the requirements to allow ECON majors to take either DSCI 232 or Math 350.

5. Justification for Change(s):
Math 350 is a calculus based statistics course. Material covered in Math 350 is approximately equivalent to the topics covered in DSCI 232, but Math 350 is a more rigorous course which is more useful to Econ majors planning on going to graduate school.

6. Does the change include deleting or adding courses from other departments? If yes, what department/program? Please contact the department chair/program director and request a note or email that they are aware of the proposed change and include that note with the proposal.
This proposal would impact the Math department
