Motion to Approve For General Education Status

The Committee on General Education moves that the following courses be approved for General Education Status within the Requirements that they are listed under.

Introduction: This motion would certify each of the following as satisfying the General Education Humanities and Social Science requirements, based on the current Senate approved Approval Criteria for the Humanities and Social Science requirements.

MOTION: Approve the following courses for General Education Status under the following General Education Requirements:

Social Science:
URST 320 Town and County Planning
URST 360 Land Use Law
URST 399 Special Topics

Humanities:
URST 398 Special Topics

Rationale: The CGE in consultation with the Faculty Committee for Assessment of Institutional Effectiveness, evaluated these courses and agrees that they meet the Approval Criteria for the respective requirement, and that they are expected to be adequately assessed, based on the student learning outcomes, evidence and assessment rubrics for the Humanities and Social Science requirements.
