RE: Change to course forms for LCWA

I am including 12 change of course forms in this packet. We are requesting the addition of language 202/250 courses as prerequisites for all our upper-level language courses. Currently, there are some courses that do not have this prerequisite. There is a proficiency level expected for higher-level courses. When that level is not listed, students may be confused about the nature of the course. We wish to be more transparent about our expectations. We have received permission to include all courses in each language in each separate form. In the cases where there is no prerequisite at all listed, we are requesting the same text for each course: “Prerequisite: LANG 202 or placement or permission of the instructor.” In cases where part of that statement is already there, most often the text: “permission of the instructor,” we are requesting that the rest of the statement be added. That is, “LANG 202 or placement.” In the languages in which a 250 course exists, which is the equivalent to 201 and 202, we are including 250 in the statement. That is: “202 or 250 or placement or permission of the instructor.” In each of the forms, the specific language is listed instead of the generic term, LANG. The changes are for the following courses:

- ARBC 390, 496  
- CHNS 330, 496  
- FREN 330, 496, 498, 499  
- GREK 390, 490, 496, 498  
- GRMN 213, 325, 328, 329, 330, 331, 332, 341, 365, 490, 496, 499  
- HBRW 330  
- ITAL 328, 329  
- JPN 390, 496  
- LATN 490, 496, 498  
- PORT 330, 498  
- RUSS 313, 330, 398  
- SPAN 390

We are including the following forms in this packet:

1. Signature page with chair/director signature for each language.  
2. One change of course form for each language.  
3. This cover letter covering all changes in one letter.
