Curriculum Committee
Department of Health & Human Performance

Dear Dr. Smail

The faculty in Physical Education Teacher Education (PETE) requests that the curriculum committee consider removing the EDFS GPA requirement from PETE students. Presently, the state mandates that all PETE students maintain a cum GPA of 2.75. The program requests that this be the only GPA requirement of the program.

Included in this request are the following documents:
- Change of Program Form
- Program of Study

If you have any questions or concerns, please let us know.

Best Regards,

Members of PETE faculty
Memorandum

To: Faculty Curriculum Committee
From: Dr. Bob Perkins, Interim Chair
Date: February 2, 2016
Re: EDFS GPA for PEPE Students

Physical Education is asking that the required GPA of 3.0 for the three EDFS courses required of their students be removed. TEDU is fine with this decision, but it is only for Physical Education students and not any other programs.
