Math
Anna Calina and Brenton leMesurier have resigned as departmental senators for the Math Dept. They are being replaced by Rohn England and Oleg Smirnov, respectively, for the remainder of their current terms.

Alex Kasman was elected in spring 2002 to begin serving as a senator in 2002-03. In other words, he is in his first year. This is also his first term as senator. He should be eligible to serve through spring 2006.

Brett Tangedal is also in the second year of his term. He was elected in spring 2001 to begin serving in 2001-02. I believe that was his first term as a senator, so he should be eligible to serve through spring 2005.

Chemistry
Beam, Charles (Biochemistry/Chemistry) 2001-2003 (second term)
Donato, Henry (Chemistry/Biochemistry) 2002-2004

Classics
Darryl Phillips 02-04

Management and Marketing
Jose Gavidia and Joe Benich, 02-04 (first term)

Computer Science
George Pothering (03-05)
Christine (Chris) Moore (02-04)

George started Spring 2003, replacing Tony Leclerc. If George is elected as a Senator-at-Large, he will be replaced by another department member starting in the fall of 2003.

>_______ Moore, Christine (Computer Science)

Christine Moore stared Fall 2002 as our department's second senator.

These data are accurate as far as I know.

Chris

Sociology
2003-2004 Tracy Burkett and Maureen Hays.
Tracy Burkett is in her first term and will be eligible for re-election for 2003-2005.

Hispanic Studies
Sue Turner and Liz Martinez will serve another year (2003-2004) as
Department Senators for Hispanic Studies. We shall also elect a third Senator from Hispanic Studies to begin in 2003-2004 given the size of our roster faculty. However, Liz Martinez has been nominated as Senator-at-Large. If she is elected, then we shall replace her; but whatever the case she will still be in the Faculty Senate.

Communication
Chris and Doug Ferguson were both elected to begin service with the 2002-2003 school Year. Term expires in 2004 with the end of the 2003-2004 school year.

French
Shawn Morrison 02-04—her first term.

Education:
Diane Cudahy is finishing her 2nd 2-year term (served 99-01, then 01-03).
