Faculty Senate Roster, Fall 2007

1) Senators are elected for specific 2-year terms (i.e., for the 2007-2009 term or the 2006-2008 term). Anytime a Senator cannot serve the entire term to which he or she has been elected, an election must be held to name a Senator to serve out that remaining term.
2) Senators who become unable serve after their term has begun should inform either their department or, if they are at-large senators, the Committee on Nominations and Elections so that an election may be held for a replacement Senator to serve the remainder of that term. The original Senator may not return to that particular term after being replaced (for example, at the end of a sabbatical leave).
3) Department Senators who are eligible to be re-elected after their two-year term is completed are not re-elected automatically. The Department must hold an election for each new term.
4) A Senator is eligible to be re-elected so as to serve a maximum of 2 consecutive 2-year terms.
5) Departments should notify the Secretary at bowerst@cofc.edu whenever they elect a Senator to begin a term or replace a Senator in mid-term.
