Committee for the Assessment of Institutional Effectiveness

Members in attendance: Angela Flenner, Shawn Morrison, Gioconda Quesada, Bill Russell

Location: Jewish Studies room 323

Time: 3:30-4:30

1) The minutes from the previous meeting could not be approved, as we did not have a quorum.

2.) The committee discussed the two possible ways this committee can continue in the future. They are: change into a General Education Assessment Committee and cease to exist as the Institutional Effectiveness committee, or continue to exist as the institutional effectiveness committee, but re-structure the membership requirements and define specific ways in which this committee can work with the SACS liaison in the office of Institutional Effectiveness.

3). It was decided that we will invite Penny Brunner to our meeting in February to go over how this committee can work with her office in a more structured manner. Shawn will work with Penny on the visit and what Penny will say to us.

4). Once we hear from Penny, we will decide what to do. If there are any changes to be made, we will decide in the February meeting and take them to the Senate so that they can be incorporated into the charge and description for this committee and its members for the 2013-2014 school year elections.
