During this year, the Committee held two initiatives—one to adjust prerequisites and another to deactivate long-untaught courses. The Committee also completed extensive revisions to its website and forms. The following proposals were passed and approved by the Senate:

- 79 new courses
- 90 course changes
- 60 course deactivations
- 1 new major (African-American Studies)
- 2 new concentrations/cognates
- 49 changes to majors
- 1 new minor (Global Trade)
- 22 changes to minors
- 3 deactivations of minors

Finally, the Committee considered a proposal to revise the double-counting rule so that courses could be shared between concentrations. This proposal was tabled for further study by the Registrar’s Office, and will be reconsidered in the Fall.

Respectfully submitted,

/s/ Daniel Greenberg
2012-2013 FCC Co-Chair
