Re: End-of-the-Year Report

This year the First Year Experience Committee reviewed and approved the following courses for the 2016-2017 academic school year.

- During the fall semester the FYE committee focused on reading and approving new proposals for
  - Learning communities
  - First year seminars
  - Possible form revision for submissions

- During the spring the focus was on current policy and procedures
  - The committee discussed and revised grading criteria
  - Activities and responsibilities of the peer facilitators
  - The incoming FYE director
  - Possibilities for future courses.
