Grade Change:

The ASC reviewed the additional materials provided by Professor Richardson concerning [redacted] request. The request of [redacted] passed unanimously.

Old Business:

[redacted] provided the additional information requested concerning an evaluation of his learning disorder. [redacted] and a representative from the S.C. Protection and Advocacy Committee presented his case for alternative course work in order to satisfy his foreign language requirement. The petition passed unanimously based on the following motions:

1. The evaluation results presented and reviewed for ASC discussion are those of a S.C. psychologist.

2. [redacted] would take 9 hours (3 course) from the list provided by Uralia Preble-Niemi, Memorandum dated July 9, 1986. However, due to a lack of course offering during the 1987 spring semester, the Language Department is requested to provide an additional list of courses for ASC review.

New Business:

Donald Burkard, Dean of Admissions presented a request on behalf of [redacted]. The request involved transfer eligibility while scholastically dropped from Embry-Riddle. The motion was to accept [redacted] as a non-degree student for Spring 1987. The conditions are such that, if [redacted] makes a grade of "C" or better in all course work, the non-degree status will be removed and he will be allowed to continue as a degree seeking student. However, Dean Burkard is to report [redacted] results to the ASC at the end of the 1987 spring semester. The motion passed unanimously.

Gretchen R. Sharry, Registrar, presented four additional candidates for graduation. It was passed unanimously.
