EDFS

The meeting of the Committee for December 15, 1997 was called to order
at 2:05 P.M..
The minutes for the meeting of December 2, 1997 were approved as
written.

petitioned to complete her senior year abroad. She has an
internship. The petition was approved.

petitioned to take twelve hours abroad during her senior
year. She is a graduate student at MUSC, and most of her credits are
transfer credits from another university. It is not clear as to whether
she will return to the College after her study abroad. After some
discussion, Bill Lindstrom motioned to approve her to take twelve hours
abroad. However, she will not be eligible for a degree from the College
of Charleston unless she completes her remaining hours in residence.
She must have thirty hours from the College to be eligible for a C of C
degree. It was also recommended that a copy of this letter be placed in
permanent file. The motion was seconded and approved.
petitioned to have grades from two of her Spring 1995 semester courses changed to withdrawals so that she will be eligible to student teach this semester. She provided documentation that indicated that she became ill during exams and was not able to take them. However, she did not seek to take these exams until it was too late. A year later she missed an exam, but was able to make it up even though she was not excused from the exam. Mike Skinner motioned to deny the petition. His motion was seconded, and the petition was denied.

petitioned to take six credits during his senior year at another university to finish his requirements for a triple major. No committee approval was needed for this request, and the student is able to enroll for these credits.

The next Committee meeting is scheduled for Monday, January 12 at 12:00 Noon.

The meeting was adjourned at 2:45 P.M.

Respectfully submitted,

Elizabeth Martinez
Secretary Pro-tempore
