The meeting of the Committee for January 26, 1998 was called to order at 12:05 PM.

The minutes for the meeting of January 16, 1998 were approved as written.

The Committee discussed the issue raised by Bill Lindstrom (via e-mail) regarding the notation of both a A.B. and B. A. degree on a student's final transcript. Debbie Miller moved that both degrees should be noted on a student's transcript, and separate diplomas could be issued given the special nature of the A.B. degree. The motion passed.

petitioned to take 12 of her last 37 units through the University of Pittsburgh semester at sea. The petition was granted. (Note: The Committee questioned the necessity of considering this petition since this petition involves a pre-approved program that does not require the specific consideration of this Committee. Amy McCandless will check with Bill Lindstrom for any outstanding issues regarding this petition.)

The next Committee meeting is scheduled for Monday, February 2, 1998 at 12:00 PM

The meeting was adjourned at 12:20 P.M.
Respectfully submitted,

Susan J. Simonian
