The meeting of the Committee for October 15, 1997 was called to order at 12:05 P.M.

The minutes for the October 6, 1997 meeting were approved as written.

Discussed the proposal drafted by Dorinda Harmon regarding the senior citizens' admission program. The current College practice is to waive the audit permission requirements for these students. Von Bakanic moved to present the policy to the Faculty Senate for consideration. The motion passed.

Amy McCandless discussed the status of SNAP alternatives in math and logic. Elizabeth Martinez provided information regarding the status of efforts to develop special Spanish language classes for SNAP students.

Discussed a query from Bobbie Lindstrom regarding a SNAP language alternative case in which the student had placed into the 102 level. The student earned a "D" in 102 level language and a "C" in 201 level language. The student is currently enrolled in the SNAP alternative, Art History to fulfill the language 202 requirement. The Committee felt that this was adequate to meet the SNAP language alternative.
 requirement.

Re-reviewed the issue regarding MUSC 261/461 credits. Discussion focused on the more general issue of performance-based music course credits counted toward the graduation requirement. The Committee decided to hold action until feedback is received from the Curriculum Committee regarding their consideration of this issue at their 10/15/1997 meeting. It is this Committee's intent to inform the Music department that it feels that some limitation should be placed on the number of units of music performance classes counted toward graduation. The Committee will ask the Music department to consider this issue and recommend a limit for these units. The Committee plans to ask for feedback from the Music department by the close of the Fall 1997 semester.

The next Committee meeting is scheduled for Wednesday, October 20, 1997.

The meeting was adjourned at 12:45 P.M..

Respectfully submitted,

Susan J. Simonian
