Presentation of the Agenda (Galuska)

Old Business

1. We approved the minutes from the November meeting.
2. All of our November proposals passed the Senate.

New Business

1. Chair's report (Galuska) – Chad is compiling a list of changes we'd like to make to Curriculog.
2. COMP (Manaris)
Discussion: none
Modifications: none
Decision: approved
3. COMM (Kopfman)
Discussion: the change to credit hours will appear in the 2019-2020 catalog. Earlier students will still be required to complete 39 hours, and COMM 214D. Thus, COMM students will have to update their catalog year.
Modifications: COMM 214D was still in section G. PBHL 336 has been removed from the GPA calculation.
Decision: approved
4. ARTS (Frankel)
Discussion: questions about the distinction between "selected topics" and "special topics".
Modifications: Fairly generic SLOs have been added to the Curriculog forms.
Decision: approved
5. PSYC (Galuska)
Discussion: BIOL 447 and PSYC 447 apparently are cross-listed. However, the BIOL 447 form hasn't reached us yet.
Modifications: They've given us revised SLOs for 318
Decision: approved.
