

**Honors College Committee Meeting**  
**Zoom: <https://cofc.zoom.us/j/2522235374>**  
**10 Greenway, 2<sup>nd</sup> floor**  
**Tuesday, September 13, 2022**  
**11am-12pm**

**AGENDA:**

- I. Introductions and Welcome
  
- II. Admissions
  - A. The committee will be engaging with new student applications (particularly the essays) in some fashion, but we don't know exactly what yet.
  - B. The Honors College is counting on Honors Committee members actively participating in four vital admissions and yield events in the spring:
    1. The Scholarship Weekend (February 3-4)
    2. Admitted Students' Day – Saturday, February 25<sup>th</sup>
    3. Honors Experience Day – Friday, March 17<sup>th</sup>
    4. Admitted Students' Day – Saturday, March 18<sup>th</sup>
  
- III. Curriculum – The honors college would like to see honors committee approval for the following curricular changes
  - A. Moving HONS 226/HONS 227 from the colloquium to the Foundations
  - B. Creating two new REI courses to mirror the new HIST 117 and HIST 118 classes in the history department
  - C. Convert a special topics humanities class (ethics) taught by philosophy to a catalog number (HONS 176)
  - D. Convert a special topics humanities (art history) class taught by Brooke Permenter to a catalog number (HONS 177)
  - E. Convert an honors advanced special topics course (Molecular Biology) taught by Renault Geslain to a catalog number (HONS 312)
  - F. See if the Engineering capstone courses (ENGR 470/471) can be listed as courses that count for the BE
  
- IV. Other committee work over the course of the year
  - A. Reviewing student petitions
  - B. Reviewing assessment data
  - C. Overview of Honors?
